

MANAGEMENT FEE

All catered events are subject to a 20% Management Charge. This Management Charge is the sole property of the food/beverage service company or the venue owner, as applicable, is used to cover such party's costs and expenses in connection with the catered event (other than employee tips, gratuities, and wages), and is not charged in lieu of a tip. The Management Charge is not a tip, gratuity, or service charge, nor is it purported to be a tip, gratuity, or service charge, for any wait staff employee, service employee, service bartender, or other employee, and no part of the Management Charge will be distributed (as a tip, gratuity, or otherwise) to any employee who provides service to guests.
